

Group Leader Covenant

We face unprecedented times due to the pandemic of Covid-19. Because of the risks associated with this disease, Chanco will require each guest to comply with this Guest Covenant during this retreat season. Please read and acknowledge this covenant with your signature below:

If CDC or Virginia requirements change, I understand that this covenant may be revised for Chanco to comply with those requirements.

The health and safety of Chanco's staff and guests are a top priority. Prior to arrival, I understand that all in my party should undergo a self-given health screening, including a temperature check. Any member of my party with a temperature above 100 degrees will not be permitted on Chanco property or must leave the property if discovered after arrival. All members of my party must be symptom-free from any illness for at least 14 days prior to arrival; signing this covenant so indicates my affirmation of that health status. Any guest who becomes sick during or shortly after their stay must immediately notify Chanco personnel. A plan will be developed for each instance of sickness according to CDC and Virginia requirements.

I understand that all members of my party are recommended to wear a mask when interacting with other guests and staff and that we must maintain social distance. All shared public spaces and surfaces will be closed unless reserved for use by my group. I understand that we are not to enter any building or indoor space that has not been reserved by my group.

No guest without Chanco reservations will be admitted on the property. Guests in buildings which are adjacent are encouraged to be creative in their interaction with other guests to arrange activities at a distance.

We will adhere to meal time procedures to keep our party, other guests, and Chanco staff safe by wearing a mask at all times in the dining hall when not seated at our table and will maintain 6' distance in the buffet line. My group will follow guidelines on where to enter and exit the building, and sit at our assigned tables.

I understand that as a guest of Chanco, it is my responsibility to help keep our fellow guests and Chanco staff safe. I will review the covenant with all in my party and ensure they follow it. I realize that if I or anyone in my party do not follow this covenant after a warning, our stay may be cut short without refund.
