SPECIALTY SESSIONS AT CAMP CHANCO

Mariner's Camp

This is one of our most popular camp sessions often filling with a wait list!

This session involves extensive time building sailing and nautical skills. It is the perfect session for an older camper who would like a different Chanco experience and who loves being on the water!

Ropes Camp

Challenge yourself to new heights on high elements and experience team building on the low ropes elements. This camp program includes new and different ropes course activities, more zip lining time and an overall deeper understanding of the challenge course experience.

This session is perfect for someone aspiring to be a ropes course counselor.

Wilderness Adventure Camp

For ages 12–16, this session focuses upon building wilderness survival skills, outdoor cooking skills, fire building, knot tying, orienteering and team building along with many favorite traditional camp activities.

Interested in building a shelter in the woods and then sleeping in it? Then this session is for you!

Family Camp

This session offers campers of all ages a chance to enjoy camp together. It includes many favorite traditional activities, and you choose how to spend your day! Stay in chalets or pay a bit more and stay in retreat lodges. This session is the perfect opportunity to introduce a new camper or reunite with camp friends.

It is an incredible,
affordable
family
vacation!
