ALL ARE WELCOME

Chanco on the James is nestled on 125 wooded acres along the scenic James River, teeming with natural wildlife. Located in Surry County, Virginia, Chanco is just a short ferry ride from historic Jamestown and Colonial Williamsburg.

Since 1968, Chanco has been one of Virginia's most respected youth camping programs. Accredited by the American Camp Association, we offer a residential experience for campers ages 8 to 16. In one and two-week sessions, campers unplug from technology and immerse themselves in friendship, adventure, and discovery—building confidence, trying new things, and connecting deeply with God's creation.

Our dedicated staff come from across the U.S. and around the world. Carefully selected and well-trained, they bring energy, compassion, and a passion for being strong role models, creating a fun, safe, and unforgettable camp experience.
